Dear Parents

It has been lovely to see so many parents attending our school events this half term. The Infant nativities and the Year 4 Egyptian Day were great successes.

At both events, parents were reminded of the school's policies on taking photographs ie:

-parents can take photographs of their own child

-if another child is photographed in error, then these photographs must not be posted on to **any** Internet site without the parents' permission. This includes Facebook.

Unfortunately, some photographs of children have been posted to Facebook without permission and this has caused distress and anxiety for some parents.

If you have posted photographs of your child to Facebook, please check that no other child is identifiable and, if they are, please remove the photograph immediately.

Thank you for your cooperation with this important safeguarding matter which will enable us to continue to allow photographs to be taken.

If you have any further questions or queries, please do not hesitate to talk to me.

Yours sincerely

Helen Frampton

Head of School
